Please accept these comments as restated below from
Proponents original petition.

Petitioner respectfully submits that the public interest would be served by allocating Channel 233C3 to Tipton, Oklahoma as that community's first local FM service. Tipton is an incorporated community with a population of 916 people.¹ Tipton has its own post office, its own volunteer fire department, its own city hall, public school system, police department and a number of local churches. The proposed channel 233C3 will provide additional diversity and an outlet for local self-expression to Tipton residents and therefore is in the

public interest.

Should this petition be granted and Channel 233C3 is allotted to Tipton, Oklahoma, Petitioner will apply for Channel 233C3 at Tipton and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
